

FOR SALE £4,500 ONO

EURO JUMPER 4 IN 1 BUNGEE TRAMPOLINE

For sale we have a 4 in 1 Euro Jumper Bungee Trampoline structure which comes with 2 Trampolines, bungee elastic and safety harnesses. The structure can accommodate up to 4 trampolines. We have only ever required two however if it was set up in a busy area like a fayre ground/activity site then you could have 4 running which would maximise revenue.

The structure itself is in good working order and was purchased back in Aug 16 for £7,500 (invoices available) then a further spend of £600 on consumables (again invoices available)

Please note buyer is to collect, dismantle structure and take away.
